Dear Parents

I am sure by now you have watched the Government announcement regarding the easing of lockdown and the POTENTIAL phased reopening of schools for Yr R, 1 & 6 from the 1st June. Further to this announcement, we need to clarify that the school currently remains closed to all but those registered key worker and vulnerable children.

We will await further announcements and guidance from the Government and the Hampshire Authority as to if, when and how we can begin to admit more children.

Please be reassured that during these uncertain times The Priory Primary School will respect the decision of any of our families to remain in lockdown during this term.

We will be writing separately to the Yr R, 1 & 6 families, please look out for this email.

Kind regards

Mr M. Stewart
Headteacher
