6th September 2020

Dear Parents,

I hope you have found the 'bitesize' emails useful and that the range of details I have covered over the past week has helped you get to grips with the different processes that we have been planned at Priory starting from tomorrow.

My final email is a reminder of the drop off times for tomorrow and a message specifically for the pupils - which I hope you have the time to read to your children in preparation.

The Priory Timings:

Year R (*)	Year 1 and Year 2	Year 3 and Year 4	Year 5 and Year 6
Drop Off = 8.50am – 9.00am	Drop Off = 8.40am – 8.50am	Drop Off = 8.30am – 8.40am	Drop Off = 8.20am – 8.30am
Pick Up = 3pm – 3.10pm	Pick Up = 3.05pm – 3.15pm	Pick Up = 3.10pm – 3.20pm	Pick Up = 3.15pm – 3.25pm

*** YR will start these arranged timings from Monday 21st September, following 2 weeks of re-introductory half days.**

Please arrive 5 minutes earlier than the time stated to get into the queue and be ready for the process to begin.

It is really important that you stick to the times noted above - arriving earlier or later will slow the process down.

If parents have two or more children in different year groups – they should drop all of their children together at the EARLIER of the drop off times and collect all of their children at the EARLIER times. For example - if your children are in Y2 and Y6 - then you will drop off at 8.20am and pick up at 3.05pm

Message for the Pupils of The Priory

Dear Children,

Tomorrow will be your first day back at the Priory and the Teachers, Learning Support Assistants, Office and Kitchen Staff, Mr. Henry, Mrs Adams and I are all so excited to be having you back at school. For some of you, it has been a long time since you have been back in the classrooms and you will notice quite a lot of changes throughout the day. The staff of the Priory have worked very hard to make sure you are safe and happy at school and even though the changes may seem a bit unusual, you will soon get used to things and will (I am very sure) love being back at school.

Our first week is all about getting you used to the school routines and making sure you are happy. The teachers will be doing a lot of activities so you can work as a team, getting to catch up with your classmates and friends. It should be fun.

When you arrive at school, Mrs Adams and I will open your car door or welcome you on the back playground and you should be ready with all of your school equipment. The teachers will be around to help you wash your hands and get onto your playground space.

If at any time during the day you are worried or concerned about anything - please speak to an adult, just remember we are all here to help and support you.

It is going to be a great year at the Priory and I just can't wait to see you all back in school tomorrow.

Mr. Stewart
