

# The Priory Primary School – Dip And Do Home Learning

## Get Electronic:

Click on this link to explore over 169 stories from different countries and cultures.

<https://worldstories.org.uk/>

## Get Researching:

How old is the Earth?  
What is the Earth made of?

Find out the names of the other planets in our solar system.

## Get Experimenting:

Grow your own vegetables – pumpkins, courgettes, lettuce, radishes...

## Get Cooking:

Plan and prepare a healthy meal using two of your favourite fruits or vegetables.

## Get Writing:

Make a 'Planet Earth' booklet containing 5 interesting facts about our planet.

<https://www.natgeokids.com/uk/discover/science/space/facts-about-the-earth/>

# What in the World?

## What in the world makes it so special?

## Get Thinking:

Why is it important to care about our planet?

What can we do to waste less water?

Name six things you can recycle.

Name something you cannot recycle.

## Get Creative:

Make a paper plate planet Earth

<https://earth911.com/living-well-being/5-earth-day-kid-crafts/>

## Get Active:

Explore the natural world

- walk in the woods
- climb a tree
- stroll along a river bank
- paddle in a stream

## Get Performing:

Listen to and join in with the Planet Song.
