Year R Newsletter: 20th July 2022

It has been a wonderful last week of Year R, albeit very hot and sunny! The children began their week in sweltering heat and clearly the only way to cool off was to have a spa area. The children enjoyed soaking their feet in some lovely cool water trays and enjoyed spraying each other with some cool water mist.

Our STEM day on Tuesday was filled with excitement and shock where the school discovered that the house cup had been taken. Year R were very quick to get involved and enjoyed searching for clues in our outside area. They enjoyed searching for footprints and investigating the footprint that was found at the crime scene.

On our final day we had our whole school assembly. We were really proud of all of the Year R's for their hard work they put into learning their African song they sang to the school. They all did amazingly well.

We are also saying goodbye to Azzy as he is going to a new school. He will certainly be missed by everyone in the class and we wish him the best of luck in his new school.

We would like to take this opportunity to thank you all for being such a wonderful year group. The children and parents have all been brilliant. The children have been a delight to teach and thank you to all of the parents for being so supportive. We wish all the children the very best of luck in Year 1 and look forward to seeing them around school again next year.

Enjoy the rest and have a lovely summer.

The Year R team
